Federico,

I called and left a message for you at your office and on your cell phone. I was told today by Chad your PM and the AGC people that windows for the Hunters Point Job will not be delivered to NY on the agreed upon dates of 9/15 for Parcel B and 10/1 for Parcel A. I am sure you can imagine how upset I am about this. That said, you need to call me back so that we can set up a meeting here in NY with Glasswall (yourself and Chad) as well as others that we might request to meet with us at that time. Prior to that meeting, I would like from Glasswall firm commitments with regards to new window delivery dates to the Hunters Point Project. These commitments will be the main topic of discussion at that meeting.
